

The chart below has the numbers 1-100, but some numbers have been replaced by colored letters! By using the chart provided can you decipher the coded words in the following sentence?

The 93, 17, 60, 60, 21, 39. 39, 21, 3, 78, 9, 35, 54. theme
this year will be 78, 9, 54. 78, 21, 21, 62, 21, 39.

Begin with the first number in the code, in this case it is 93. Then look at where 93 should be in the chart. The letter in that space is the first letter in the word.
